Lori,
One other topic to discuss if we have time tomorrow is the Linton Plywood Association Consent Decree, which, as I understand it, may have a bearing on future consent decrees.
Patty. Dost will also be contacting Lori Cora about it tomorrow.
Thanks,
Margaret

Subject: Nov. 19 Senior Managers Meeting

All,

We have settled on Nov. 19 for the next Senior Managers' meeting, at the EPA office in Seattle, from 11:30am to 1:30pm. EPA will provide sandwiches for those planning to attend in person so please let Lori know whether you will participate in person or by telephone. For those of you who cannot attend, this is FYI in case your plans change.

Thanks,

Margaret
